Remarks:

- Economic performance and its reporting boundary can be found in the Company's Annual Report.
- Environment performance excluding food loss and occupational health and safety performance covers all production plants and distribution centers, as well as some of the retail and food outlet businesses including Five Star, and Chester's but excludes head and branch offices, CP Food World, swine and raw milk transferring stations; research and development facilities in dairy farms, milk goat farm, cheese processing plant, and cattle feed.
- Food loss and waste performance included food loss in processes of fresh chicken meat, fresh pork meat, shrimp, and egg products and food waste in Bang Nam Prio distribution center, Chester's restaurants, and food catering and food courts under Food World in Thailand operations.
